

silicone buckle strap for face mask - 3pcs set blue

specification: Material: Silicone dimensions: 195x17.5mm
3 levels of regulation 3 pcs included Available colors:
black, blue, gray packaging: a small bag Silicone buckles
that reduce discomfort and ear pain caused by tight or too
wide elastic bands. They easily pull the elastics away from
the ears and keep them away from delicate skin. They are
made of soft and flexible silicone, and the three-stage
adjustment ensures a perfect fit to the head
