Seaside & HRV Price List Printed Separately from Catalog

For terms and conditions visit our website at www.CoastalBronze.com/terms

All louvers are roughly 2" deep and can fully open (vertical) or close (horizontal).
All Louvers are black powder coated steel and have a rubber tip lever.

2-1/4" & 3" Vents - 1 Louver Sheet
4" Vents - 2 Louver Sheets
6" Vents - 3 Louver Sheets

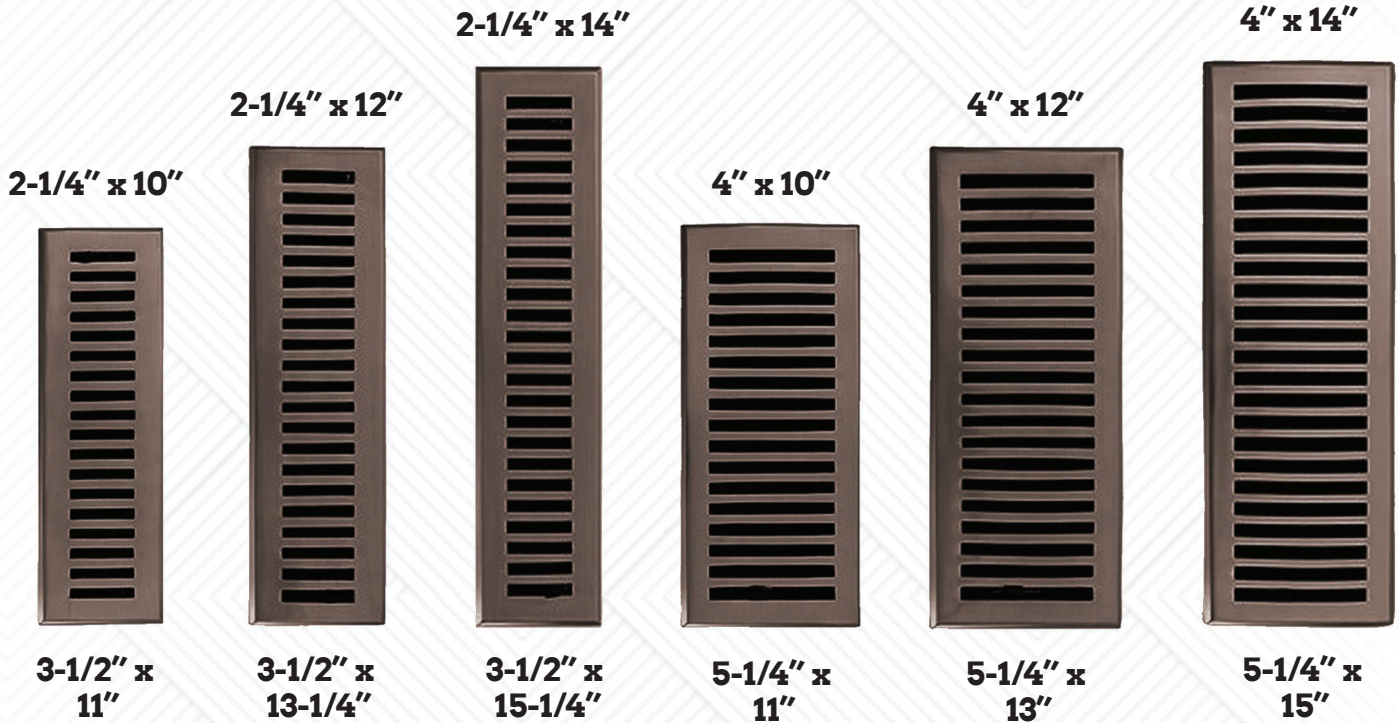

Louvers are easily removable by removing 4 screws. All vents include louvers.

Any vent can be ordered for floor, wall or ceiling mounting. These vents will have 2 screw holes and are sold with matching finish screws.

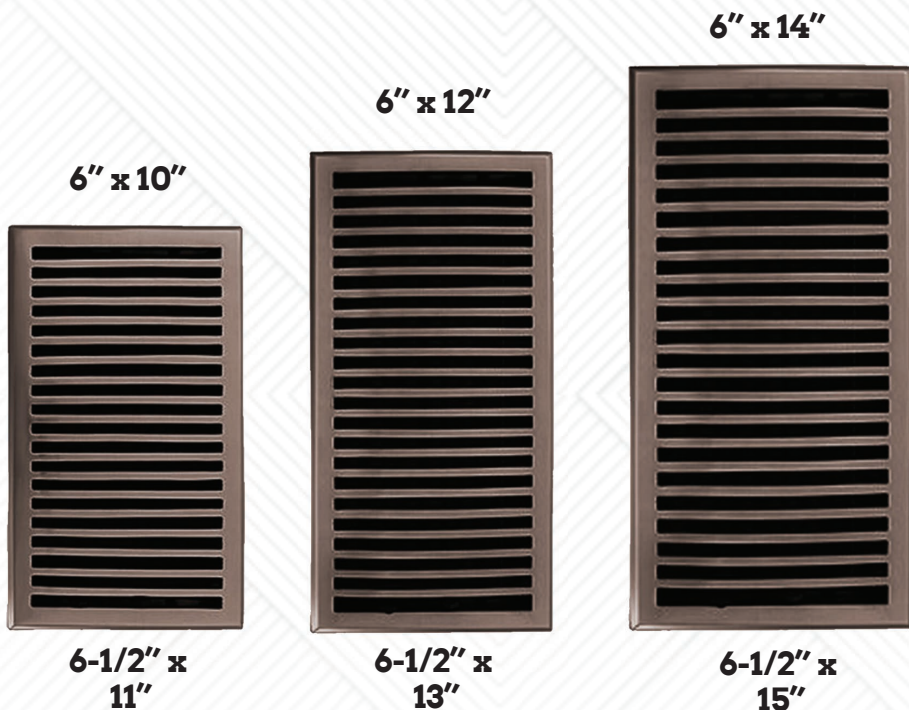

All vents are considered custom and are not returnable.

Please specify when ordering if you need wall or ceiling mountable vents.
6 week average lead time.

3" x 10" size is now available by request. (4-1/4" x 11" Surface Dimension)

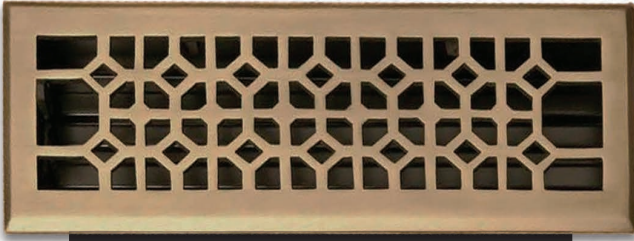

Dimensions on **top** are the fitted size of the louver, the portion that sits below the floor.
Dimensions on **bottom** are the the surface plate size, the portion that sits on the floor.

These pictures are for visual estimation only, they are not to scale.
