

ERGO SERIES

PN#: TW-110

HEADSET

The ERGO TW110 Headset is equipped with 30mm drivers delivering extraordinary sound, the angled ear cup design provides the ideal amount of compression and frequency isolation for clear audio without applying unnecessary pressure to the listener's ears. A flip-down, omni-directional microphone boom is positioned optimally for voice recording which makes the ERGO an ideal on-ear headset for connecting with fellow coworkers, clients, students, and your favorite people.

THE TW110 HEADSET COMBINES TWT AUDIO'S ERGONOMIC-FRIENDLY HEADPHONES WITH MICROPHONE CAPABILITIES FOR FULL CONNECTIVITY AND HOURS OF COMFORT.
