

# ERGO SERIES

PN#: TW-120

HEADSET

The ERGO TW120 Headset is equipped with 30mm drivers delivering extraordinary sound, the angled ear cup design provides the ideal amount of compression and frequency isolation for clear audio without applying unnecessary pressure to the listener's ears. A flip-down, omni-directional microphone boom is positioned optimally for voice recording which makes the ERGO an ideal on-ear headset for connecting with fellow coworkers, clients, students, and your favorite people.

THE TW120'S LONG-LASTING COMFORT, REMARKABLE AUDIO TRANSMISSION, AND LIGHTWEIGHT DURABILITY WILL KEEP KIDS AND ADULTS ALIKE COMFORTABLE AND CONNECTED.
