

DURO SERIES

PN#: TW-220

HEADSET

The TW220's ergonomic over-the-ear cushions provide unparalleled comfort while protecting your ears from the strain of extended-listening. Our flip-down omni-directional microphone is optimized for voice recording and capturing diverse vocal qualities and inflections, while omitting distracting background noise. The powerful, high-quality drivers and easy to use in-line volume control make the TW220 the ideal headset for your school, office, and daily use.

TWT AUDIO'S "COMFORT-FIRST" STANDARDS AND UNIQUE EAR CUP SWIVEL TECHNOLOGY CONTINUALLY PROVIDE SUSTAINED SATISFACTION, COMFORTABILITY, AND SOUND.
