

REVO SERIES

PN#: TW-320

HEADSET

The TW320 REVO combines state-of-the-art technology with audio excellence to create an affordable, adaptable, and quality sound experience. The luxurious and 24mm thick ear cushions surround and insulate the ear at 360° while a sleek, compact mic boom with discrete mute function automatically activates when the mic is in the raised position. Along with custom-tuned 40mm drivers and easy-to-remove-and-replace modular ear cushions and cables create a revelatory experience.

THE TW320 REVO 100% OVER-EAR HEADSET OFFERS LISTENERS PREMIUM SONICS, GENUINE VOCAL CAPTURE AND UNIQUE EAR CUP SWIVEL TECHNOLOGY TO PERFECTLY FIT EACH LISTENER.
