

REVO SERIES

PN#: TW-340

HEADPHONE

The TW340 REVO Wireless combines state-of-the-art technology with audio excellence to create an affordable, adaptable, and quality sound experience. The luxurious and 24mm thick ear cushions surround and insulate the ear at 360° while a sleek, onboard microphone allows you to hear and take calls easily. The TW340's sleek design, wireless technology, custom-tuned 40mm drivers, and easy-to-remove and-replace modular ear cushions makes it TWT Audio's first and most innovative wireless headphone.

THE TW340 REVO 100% OVER-EAR WIRELESS HEADSET OFFERS LISTENERS PREMIUM AUDIO, GENUINE VOCAL CAPTURE AND UNIQUE EAR CUP SWIVEL TECHNOLOGY TO PERFECTLY FIT EACH LISTENER.
