

# LITE SERIES

PN#: TW-55

HEADSET

TWT Audio's new TW55 LITE Headset combines our LITE-friendly headphones with microphone capabilities to address the demands of students in educational settings. The streamlined headset design is lightweight, features a flexible memory-hold headband to fit listeners of all ages comfortably, and is constructed with ABS plastic to ensure maximum durability. A flip-down, omnidirectional microphone boom positioned optimally for voice recording helps with testing and learning applications. With a chew-resistant braided fabric cable that prevents damage from the toughest of chewers, the TW55 LITE Headset is a great, competitively-priced option for everyday classroom use.

THIS MODEL IS AVAILABLE FOR VOLUME PURCHASE. REQUEST QUOTE BELOW.
