HydroStream

It is our purpose at HydroStream to provide the buyer with the most innovative engineering available to achieve a performance and styling unique to itself. The elements of HydroStream design are more than style, they are additions to performance. Intensive use of sculptured skinstressed surfaces reduce weight and increase strength. Superiority, however, is not attained by design alone. Craftsmanship and quality construction materials are a necessity. All prototypes of our models and materials undergo many hours of developing, testing, proving, correcting and retesting. HydroStream is continually researching and testing new concepts and materials to achieve a higher degree of performance and styling.

1977 World Racing Champion, Howard Pippkorn, member of the American Power Boat Association "Hall of Champions", and several time National Champion, uses his racing experience coupled with engineering skills to design HydroStream products. His winning record is positive documentation of HydroStream performance and endurance.

NOTE:

In some instances, photographs in this catalog show experienced drivers operating HydroStream boats in an extreme manner with special equipment and under optimum conditions. HydroStream does not recommend such use of its products by the inexperienced driver under any circumstances or by the average or experienced driver without special equipment and/or under less than optimum conditions. We at HydroStream continually stress safety and recommend the use of life preservers and other safety equipment during all boating activities. Further, we encourage all drivers to exercise such prudence and caution in the operation of any boat warranted by their level of experience and the conditions present at the time.

HYDROSTREAM ONE YEAR LIMITED WARRANTY TO ORIGINAL PURCHASER

HydroStream offers a limited warranty to the original purchaser on its new production hulls against defects in materials and workmanship under normal use for the period of one year from the date of delivery by an authorized HydroStream dealer. This warranty does NOT apply to gelcoat, windshields, carpeting, upholstery or hardware supplied by other manufacturers. Similarly, it does NOT apply to failure of the hull due to product abuse such as operating the boat with an engine exceeding the maximum rated horsepower or other misuses, abuses, or causes other than defective workmanship or material. Competition boats are expressly excluded from coverage under this Limited Warranty and are not warranted by HydroStream under any circumstances.

HydroStream agrees to repair or replace any defective production hull without cost to the original purchaser. No repairs shall be made without the prior consent and approval of HydroStream personnel. Any transportation, de-rigging or re-rigging costs shall be paid by the original purchaser.

THE EXPRESS WARRANTIES SET FORTH HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ALL SUCH OTHER WARRANTIES, TO THE EXTENT PERMITTED BY LAW, ARE HEREBY DISCLAIMED AND EXCLUDED BY HYDROSTREAM. ANY LIMITED WARRANTIES WHICH ARE NOT EXCLUDED HEREBY DUE TO OPERATION OF LAW ARE LIMITED IN DURATION TO THE DURATION OF THE EXPRESS WARRANTY PROVIDED HEREIN FOR THE PRODUCT WARRANTED.

THE REMEDIES SET FORTH ABOVE ARE THE SOLE AND EXCLUSIVE REMEDIES PROVIDED HEREUNDER AND HYDROSTREAM SHALL NOT BE LIABLE FOR ANY FURTHER LOSS, DAMAGES OR EXPENSES, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, DIRECTLY OR INDIRECTLY ARISING FROM THE USE OF ITS PRODUCTS.

Some states do not allow limitation on how long an implied warranty lasts, so the above limitation on the duration of any implied warranties not excluded hereby due to operation of law may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion of incidental or consequential damages may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state-to-state.

ANY OBLIGATION ON THE PART OF HYDROSTREAM TO PERFORM ACCORDING TO THE TERMS OF THIS LIMITED WARRANTY IS SPECIFICALLY CONDITIONED UPON THE ORIGINAL PURCHASER'S COMPLETION AND RETURN OF THE HYDROSTREAM OWNER WARRANTY REGISTRATION CARD WITHIN 15 DAYS OF THE DATE OF PURCHASE. FAILURE TO COMPLETE AND RETURN THE WARRANTY REGISTRATION CARD AS SPECIFIED WILL PRECLUDE COVERAGE UNDER THIS WARRANTY.

To make claim under this Limited Warranty, contact the authorized HydroStream dealer from whom the boat was purchased or, if this person is not known, write:

**Customer Service Manager
HydroStream
2211 West County Road D
New Brighton, Minnesota 55112**

Provide the following information to the person contacted:

- Your name, address, and telephone number;
- Description of the product for which the claim is made, including:
 - model name and year; and
 - serial number;
- Date of purchase of product;
- Name of HydroStream dealer from whom purchased and
- Nature of product failure.
