Fractions (1)

- Use fractional names, such as halves, thirds, and fourths, to describe the equal parts of a whole object or a set of objects.
- Understand the relationship between the number of fractional parts of a whole and the size of the fractional parts.

We each have 1 part of a pizza.

But my part is smaller because my pizza is cut into more parts.

Colour one half of each figure.

①

②

③

Colour two thirds of each figure.

④

⑤

⑥

Colour three fourths of each figure.

⑦

⑧

⑨

Short and Long Vowels

Some words with the letters a, e, i, o, or u have the **short vowel sounds**. Some words with these letters have the **long vowel sounds**. Long vowel sounds sound the same as the way you say the letters.

Examples: Short vowel – cap
Long vowel – cape

- C. Fill in the missing letters to complete the words.
Say the words. Write them in the correct pots.

gl__ss

br__sh

f__ve

h__lp

s__ve

Long Vowel

Different Traditions and Celebrations

Different cultures have different traditions and celebrations. Some special traditions and celebrations are important to a family.

A. Identify the celebrations from different cultures. Write the letters in the circles.

A Eid ul-Fitr (Muslim holiday)

B Powwow (First Nations celebration)

C Hanukkah (Jewish holiday)

D Lunar New Year (Chinese celebration)

Buoyancy

- When something can float on water, we say it is buoyant.
- We consider the buoyancy of a material when we make some things.

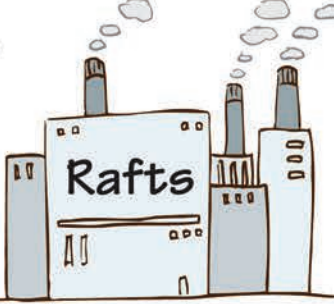

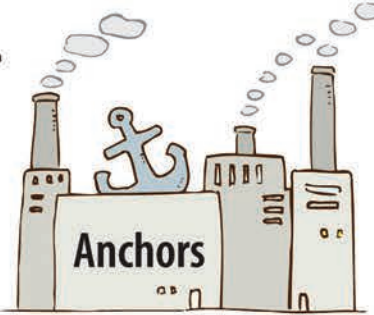

A. Colour the buoyant objects in the picture.

B. For each factory, choose the best material for the job. Write on the line.

 **wood**
 **cork**
 **metal**
 **ice**

1.  **Rafts**

2.  **Anchors**
