

# KANJO ECO BATHLIFT

The Kanjo Eco provides perfect hygiene and safety when bathing.

With its electric lift and lowering functions, reduced mobility during bathing is no longer an issue.

An ergonomically designed seat and electric backrest allow the user to bathe in comfort all with the press of a hand control.

- Independent lowering and raising of the user in a bathtub
- Floating hand control (lithium battery)
- Flexible side panels maintain contact with the bath wall at all times ensuring gap free transfers
- Up to 40 degrees of backrest recline
- Suitable with tub and corner shape baths
- Comfort seat padding included as standard

Comfort Seat Padding
