

ProSteel will warrant your **Browning Or ProSteel** safe for its lifetime against break-in, attempted break-in and fire to the original purchaser of any gun safe produced after January 1, 2006. Provide the proper documentation and we will replace or repair (at ProSteel's discretion) your safe. ProSteel will arrange for and cover the shipping costs both to and from the factory and any locksmith costs necessary to open the safe.

BREAK-IN WARRANTY:

If your **Browning/ProSteel** safe is forcibly opened, we will replace or repair it at no cost to you.

ATTEMPTED BREAK-IN:

If your **Browning/ProSteel** safe has been attacked by forcible means, we will replace or repair it at no cost to you.

FIRE WARRANTY:

If your **Browning/ProSteel** safe is damaged in a house fire, we will replace or repair it at no cost to you.

ProSteel will need proper documentation which will include a copy of the fire or police report, a letter from your insurance company stating the claim is not covered, and a copy of your original purchase receipt. The delivery and pick-up of safes will be curbside.
