MB3020 Provides a Flexible and Secure Environment

In store operations, you need a secure environment for your cash. This safe provides the capabilities you need to protect your assets with features tailored to the needs of retail operations. The drop slot allows staff to make deposits directly into the top compartment. Lock options are available on request, limiting access to those who need it. In addition, setting a time delay can be a strong theft and armed robbery deterrent. All these features, coupled with outstanding customer service and live technical support when you need it, provide the capabilities and confidence you require.
