U.L. Listed Biometric Lock with Keypad Back-up

THE RHINO METALS STORY

★★★ HANDCRAFTED ★ BUILT TO LAST ★★★

COMMITMENT TO EXCELLENCE...DISCIPLINE

For American fighter pilots, these are more than just words; they are the code to live by. It's this culture of excellence that makes our fighter pilots the best in the world at protecting us against evil. And in this world we live in, there is no end to the evil that seeks to threaten our lives, liberty and property. One seasoned fighter pilot took this ethos of excellence, instilled through years of flying fighters, and applied it to the business world, to develop superior security products for Americans.

Part art, part furniture, and all security, Rhino Metals safes are built to protect you and your family from the uncertainties and evils of this world, and offer more convenience than any other brand.

Rhino Metals products stand as proof of total commitment to excellence in one's craft. They are art, revealed in American craftsmanship. . . the same kind of craftsmanship that built this country.

Rhino Metals stands apart from the competition, with safes and other products that are a cut above in both form and function. And like the fighter pilots protecting this great country, we are here for you, securing America, one safe at a time.

Rhino Metals. . . everything else is just storage.

180° Door Opening

MORE SECURITY

Long travel, large diameter locking bolts provide up to 40% more locking engagement than typical gun safes. Anti-pry guides in the doors of our full size gun safes further increase pry protection. Thicker bodies, doors and fire lining provide superior security and fire protection. In some cases, up to 50% thicker than typical gun safes.

MORE FIRE PROTECTION

Internal hinge designs used by other brands are typically welded to the inside of the safe wall and do not provide full coverage fire protection. Rhino's external hinge design provides complete coverage and improved fire protection.

MORE CONVENIENCE

With the swing out gun rack, you'll be able to store more and get to your guns faster and with less damage. No more digging through your guns to get to the one you want.

MORE ACCESS

External hinges give you a full 180 degrees of door opening and complete fire lining around the door frame.
