

# Remington®

## EXPRESS

The Express is for the consumer who values quality and takes pride in their sport. Creating a balance of innovative quality with time-proven excellence is what Express is all about. Prepared for the elements and forged from 12-gauge steel, this fireproof and waterproof safe will keep your firearms, documents, and valuables secure. It is backed by a SecuRam™ UL Rated electronic lock, 1.5" locking bolts, and armed with a re-locker for premium security. The Remington Express Series is an ample choice for premium, secure, and innovative firearm storage.
