

Remington®

STS

Top-level security, robust engineering, and ultra-premium quality create the Remington STS. Timeless design outfitted with high-end technology, you won't want to store your valuables anywhere else. The UL Rated SecuRam™ electronic lock and large four-way locking bolts create a robust barrier to entry. The beautiful Metallic Sage Green powder coat gloss finish, brass hardware, and quilted interior make this safe a beautiful piece in any home. Designed for utmost protection against fire, water, smoke, and theft and outfitted with luxury features, the STS is a timeless choice for in-home security.
