Accessories:

LED Light Kit

Light up your safe with our bright LED Light Kits.

A kit includes velcro lining and a switch to automatically turn your lights on/off with the opening/closing of your safe door.

Light Kits run off of a AC or AA battery power source. Motion Sensor, and Extra Light Strip for 72" Tall Safes.

Add LED light to your existing safe with our Self Installation Kit or add them to your Order Today!

Pistol Rack

Organize your safe with Sun Welding's fabric lined pistol rack. Our gray velour fabric protects against damage to the stocks and barrels.

Available in 4 or 5 gun size
*Guns pictured are not included

Silica Gel / Dehumidifier

Reusable dehumidifier to protect your valuables from moisture that causes rust, mildew, and fungus.

Available in 350 gram bag

Door Organizer

Organize your safe with Sun Welding's NEW door organizer. Made in America! Holster quantity varies on door size.

*Models and Features are subject to change without notice.
