SECURITY PRODUCTS INSTALLATION INSTRUCTIONS

LD2028/LD2028EX

[2009-2018 Dodge Ram 1500,2500, &3500 and the 2019 1500 Classic]

1. For any combination style lock, it is a good idea to set the combination before installing the safe. We recommend that the combination be set with the **DOOR OPEN** in order to test the lock combination effectively without locking yourself out.
2. Clear out the contents of the center console for now, including the factory mat at the bottom of the console.
3. Set the safe into the center console.
4. Using a drill or screwdriver, insert the **LOCK'ER DOWN PROVIDED SELF TAPPING SCREWS** into sides of the safe (2 holes to each side). **DO NOT OVER TIGHTEN THESE SCREWS, THIS COULD DAMAGE THE CONSOLE.**
5. Enjoy your purchase!
