MINIMOX

SIZE CHART

* Place the heel on top of the bottom line.

* If the baby's foot is in between sizes choose the the biggest size.
Image example - Baby #1 : would be size 3.

* If the longest toe of his foot is touching a line,
choose the next size up to allow space
for the growth of their little foot.
Image example - Baby #2 : would be size 5.

5.90"	6
5.51"	5
5.11"	4
4.72"	3
4.33"	2

Baby # 1

Baby # 2

Place the heel on top of the bottom line
