Fridgy© Australian designed high quality stainless steel vacuum sealed bottles and cups, perfect for custom branding.

WHO ARE WE?

FRIDGY FEATURES

ELEVATE Your BRAND

Fridgy is designed to help companies and individuals elevate their brand with their staff and customers.

Fridgy© is a custom branded stainless steel vacuum sealed bottle and cup engraving company of the highest quality. Fridgy is designed to help companies and individuals elevate their brand with their staff and customers. We will engrave your company logo into the bottles or individual names. Just send us your vector file of your logo and we will send you a proof for approval.

Not a business? No worries! Fridgy is also designed for the individual. Fridgy products make the perfect present for friends and family. Pick a font and customise any colour and size bottle or cup with a name.
