ADELAIDE HILLS

OUR STORY

Our Longhop Riesling is sourced from two unique Adelaide Hills vineyards. Our original site in the small hamlet of Forreston has been joined by an equally impressive 20+yo vineyard, sited on a sheer north-westerly incline in the panoramic Kenton Valley region.

THE CRAFT

Partial whole bunch pressed. Natural cold settling before racking with suspended solids remaining for ferment at low temperature for several weeks. Continuing with lees aging before racking and natural cold settling prior to bottling.

TASTING NOTE

A riesling that exhibits lifted florals, with plush lemon, lime, apple and pith. Lovely weight and texture fills out the palate, with a straight-line of acid keeping everything fresh.

A terrific all-rounder suited to an array of both Asian and Mediterranean inspired seafood and white meat dishes. Equally good with salty, freshly shucked oysters.
