

LONGHOP

ESTD 2005

Valley View Chardonnay

2023

ADELAIDE HILLS

OUR STORY

Our Longhop Chardonnay is sourced from a single site in the township of Echunga in the beautiful undulating Adelaide Hills.

THE CRAFT

Hand-picked, whole bunch pressed with cold settling for seven days then racked for fermentation, bringing across some fine solids. In order to add texture and complexities fermentation occurred in 25% fine grain Taransaud French oak for 4 weeks and then continuing with lees aging for a further 3 months for added character, weight and complexity.

TASTING NOTE

Orchard fruits with a chalky, quartz-like texture and yellow melon finish.
Food match with shellfish and sushi, or white meats like pork and chicken with creamy sauces.

TECHNICAL NOTES

Region:	Adelaide Hills
Vineyards:	Single site at Echunga, 420 metres altitude—Free draining grey loams over ironstone
