Use: Pillows, Drapes, Light Upholstery (5.5 oz. 100% linen not suitable for upholstery)

Cleaning Instruction:

Professional dry cleaning is recommended but may also be washed by hand in cold/cool water with a phosphate-free detergent. Avoid rubbing fabric as pigments are vulnerable when wet.

100% LINEN - 16 oz.

54" wide

Content: 100% Linen

Use: Pillows, Drapes, Light Upholstery (5 oz. 100% linen not recommended for upholstery)

Wyzenbeek - 15,000 cycles

Cleaning Instruction:

Professional dry cleaning is recommended but may also be washed by hand in cold/cool water with a phosphate-free detergent. Avoid rubbing fabric as pigments are vulnerable when wet.

POLY- LINEN - 231 gsm

54" wide

Content: 100% polyester

Use: Pillows, Drapes, Light Upholstery. (Suitable for indoor/outdoor. To prolong the life of the fabric, use in covered areas, NOT in direct sunlight.)

Martindale Abrasion U.K. 35,000 revs

NFPA No. 260 Passed; NFPA No. 701 Passed; CA 117-2013 Passed

Cleaning Instructions: Machine wash in cool or warm water in delicate or gentle cycle using a sulfate-free & fragrance-free detergent. Do not use bleach or other types of fabric whiteners. Do not scrub as this can cause fading. If spot treatment is needed, please see your professional dry cleaner and request the use of a hydrocarbon solvent only.
