

|    | Part Name               |
|----|-------------------------|
| 1  | Louver Guard            |
| 2  | Front Louver (set of 6) |
| 3  | Back Louver (set of 15) |
| 4  | Front Louver Link       |
| 5  | Front Louver Drive Bar  |
| 6  | Back Louver Drive Bar   |
| 7  | Louver Case             |
| 8  | Front Swing Motor       |
| 9  | Back Swing Motor        |
| 10 | Run Capacitor           |
| 11 | Start Capacitor         |
| 14 | Control Board           |
| 15 | Control Board Interface |
| 17 | Anion Generator         |
| 18 | Top Cover               |

|    | Part Name                             |
|----|---------------------------------------|
| 19 | Air Intake Guard                      |
| 20 | Blower Wheel                          |
| 21 | Blower Housing                        |
| 22 | Fan Motor                             |
| 23 | Fan Motor Support Brace               |
| 24 | Fan Motor Mount                       |
| 26 | Left Side Panel                       |
| 27 | Right Side Panel                      |
| 29 | Power Cord Bracket (2)                |
| 30 | Honeycomb Cooling Pad Retaining Plate |
| 31 | Honeycomb Cooling Pad Frame           |
| 32 | Honeycomb Cooling Pad                 |
| 33 | Dust Screen                           |
| 34 | Water Pump Bracket                    |
| 35 | Water Level Sensor                    |
| 36 | Water Pump                            |
| 39 | Drain Plug                            |
| 40 | Water Tank                            |
| 41 | Water Tank Fill Hatch                 |
| 43 | Rear Wheel Assembly (2)               |
| 44 | Wheel with Brake (2)                  |
| 45 | Water Pipe with Elbow (Not Pictured)  |
| 47 | Power Cord (Not Pictured)             |
| 49 | Infrared Receiver (Not Pictured)      |
