

## STRENGTH AND SIZE FOR THE JOB

This 20 gallon wet/dry vacuum is big enough and powerful enough to tackle whatever you ask of it.

# Strength and size for the job.

The Titan delivers incredible strength and power for vacuuming large wet or dry jobs. Pick up large messes with the 20 gallon capacity and when you are done simply tip and pour what you recovered down the drain. Utilize the powerful 1.5 hp motor to pick up any mess you throw at it. An optional squeegee attachment makes this robust machine even more productive.

## 1 Performance and productivity

- Features a powerful 1.5 hp vacuum motors and rugged construction to provide years of dependable operation
- 20 gallon capacity for large jobs
- Optional squeegee attachment for faster large area wet pick up

## 2 Convenience you can use

- Tip-and-pour design for draining the recovered solution
- Each vacuum comes with an efficient filtration system. The durable, caged filter is easy to remove and clean.
- Comes standard with an eight -piece tool kit to increase cleaning versatility
