Diamond-Deluxe with Grit-Safe

SKU: 133

OILY AREA | BETTER

Diamond Deluxe™ with grit safe™ is the perfect solution to minimize slips and falls in slippery workstations and corridors. This product will give you the best quality/price ratio.

FEATURES

- Flow through design leaves debris at the work station and reduces the transfer of dirt throughout the facility
- Offers a safe non-slip surface that reduces the risk of slips and falls
- Durable open loop design elevates worker and allows fluids to flow through, promoting a drier work surface
- Especially formulated oil-resistant vinyl adds slip resistance with impregnated grit
- Can be customized to fit your design needs

APPLICATIONS

- Provide a solution for oily areas including Factory / Garage, Work Station, Oil Changing Pit, Steel Mill, Outdoor Entrance

Total customization up to 40' wide. Please specify all sides of custom cuts that are to have edging.

Anti-fatigue: 40 out of 100

Durability: 60 out of 100

Traction: 100 out of 100
