SCRAPER/WIPER | HEAVY TRAFFIC

EcoPlus™ is our green generation recycled wiper/scrapper mat that delivers excellent performance in heavy traffic areas. Offers a green mat alternative that can contribute to obtaining LEED credits. As a performance wiper/scrapper mat, this product prevents debris from traveling into the building. Nib backing design helps provide stability to the mat and eliminates curling.

FEATURES

- Available in both fabric and rubber edging
- Crush-proof V-pattern will maintain appearance and performance
- Elevated construction will scrape shoes and hold dirt beneath shoe level, while wiping moisture
- Contain 20% backing and 100% surface recycled materials

Special sizes are available in all even foot increments in 3', 4', and 6' widths, up to 20' in length. Mats are manufactured to a tolerance of up to 3 percent, compared to the exact size listed.

APPLICATIONS

- For interior areas with heavy traffic areas. e.g.: University, Airport, Hospital, Large retail store, Shopping mall and School

Scraping Ability: 70 out of 100
Wiping Ability: 70 out of 100
Crush Resistance: 90 out of 100
