Safety-Step Solid Top

SKU: #685

DRY AREAS | BETTER

Safety-Step™ Solid-Top is a modular solid-surface rubber mat offering the greatest flexibility for irregular and custom installations!

FEATURES

- Designed to promote air flow resulting in dryer safer work area
- Maximize the productivity of your workplace by reducing fatigue and discomfort
- Offers the flexibility to reconfigure the mat to accommodate changing work environments
- Rubber nibs on underside of mat increase comfort and aeration
- Built-in connectors along two sides allow mats to lock together
- Contains 47% recycled material

*Custom mats can be ordered in sizes up to 12'x30'. Workstations can be ordered in full-foot increments, not including optional custom edging, only. Addition of Edging to a custom mat to any side increases the size of the mat by approximately 3". Printed pricing refers only to rectangular mats.

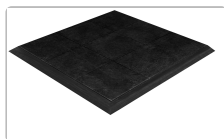

APPLICATION

Provide a heavy-duty solution for dry areas e.g.: Factory Work Station, Large Work Cell and Assembly Line

Anti-Fatigue 60 out of 100
