Cleanzyme

Enzyme Cleaner & Spotter

GREAT FOR PET STAINS

DESCRIPTION

A concentrated suspension of bacterial spores designed for high enzyme production to digest and liquefy solid waste. Enzymes such as amylase, protease, lipase, and cellulase are produced and regenerated by this product, thus multiplying the product's effectiveness. These enzymes degrade starch, carbohydrates, protein, grease, fats, and cellulose. Safe to use and handle with a pleasant odor. Excellent for spotting stains on all fabrics, toilet bowls and restroom surfaces, grease traps and drains, sewage plants, sumps, septic tanks, and portable toilets.

DIRECTIONS

General Deodorizing - Spray product directly onto the cause of the odor. In restrooms, spray directly into bowl, then flush. Spray surrounding surfaces to deodorize.

Laundry Pre-spotter - Spray soils and stains with product before washing.

Grease Traps - Pour 5-10 ounces of product down drain closest to grease trap daily. It is best to apply product when drain will not be used for a period of time such as over night.

Drain Lines - Use 4-6 ounces twice a week to keep drain lines clear.

Septic Tanks - Add 1 quart for initial treatment. Use 6 ounces per week thereafter by flushing down toilets.

Portable Toilets - Add 1 gallon directly into toilet and cover solids with water. Repeat every time toilet is emptied.

Restroom Floors - Dilute 2 ounces per gallon in a mop bucket and apply liberally to floor. Let solution dwell on floor overnight until it evaporates. No rinsing necessary.

NOTE: Do not use with disinfectants, hot water or chlorine bleaches.

PRODUCT SPECIFICATIONS

Color:	White emulsion	**Caustic Content:**	None
Odor:	Bubble gum	**Phosphate Content:**	None
pH:	7.0 - 8.0	**Solubility:**	Complete with water
Bacterial Count:	Over 100 billion per gal.	**Flash Point:**	None
Fumes:	None	**Biodegradability:**	Complete
Viscosity:	Water thin	**Storage/Stability:**	1 years (store out of direct sunlight)
Effective Temperature Range:	50º -120ºF		
Acid Content:	None	**Weight per Gallon:**	8.33 lbs./gal.
		Freeze / Thaw Stability:	Keep from freezing
