

TWIN CUBE SHOWER TENT

DARCHE®

PART NO. T050801077

Scan for assembly instructions.

IMPORTANT

Before setting up for the first time read the instructions carefully.

WARNING

Keep all flame and heat sources away from this structure at all times. Be aware of potential pinch points during assembly and pack down.

CONTENTS

- 1 x Shower Tent with instant frame
- 1 x Canopy
- 1 x Storage organiser
- 1 x Towel rod with hanging attachments
- 10 x Steel pegs in peg bag
- 1 x Storage bag

BEFORE SET UP

Open shower tent in a cleared location.

Never unpack on asphalt or concrete to avoid material abrasion.

Never use shower tent in extremely strong winds.

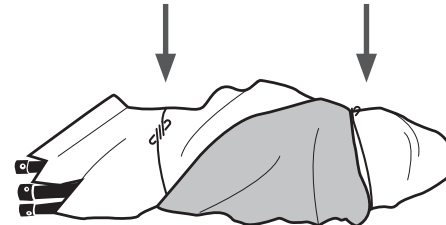

Shower tent must be pegged down at all guy points to prevent property damage and personal injury.

This shower tent requires 2 people for assembly and pack down.

SHOWER TENT SET UP

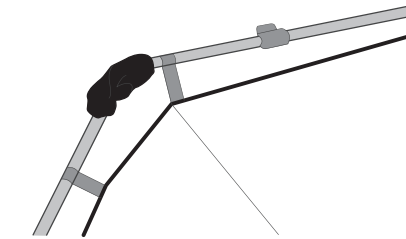

UNPACK

Locate level ground to lay out the shower tent. Unpack from bag and remove the straps.

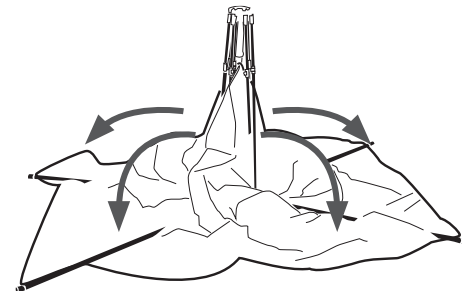

UNFOLD

Make sure all 4 x corner joints are covered before unfolding.

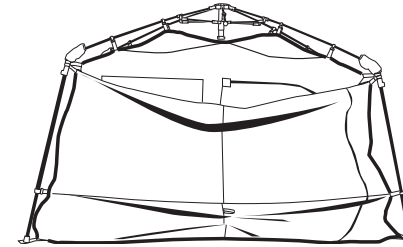

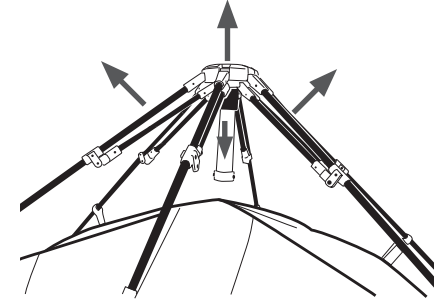

Unfold each of the leg poles outwards as shown.

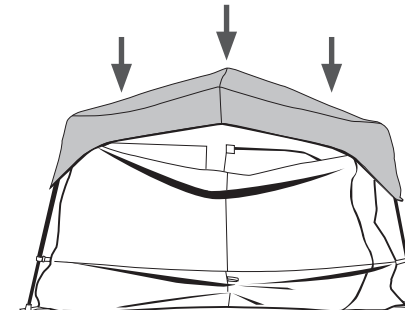

FRAME SET UP

Lift the roof frame upwards and outwards. Pull the centre hub down to lock the frame in place.

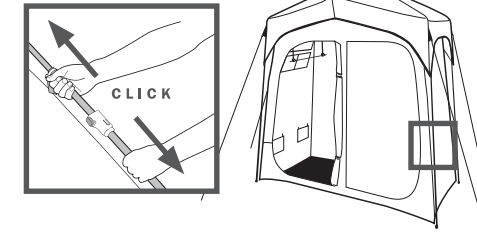

CANOPY SET UP

Place canopy over the frame. Do not secure yet.

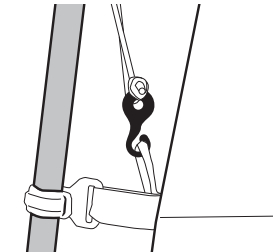

LEG POLE SET UP

Extend each leg telescopic pole until it clicks into place.

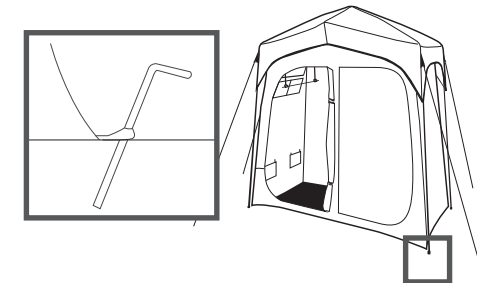

SECURE CANOPY

Position the canopy with the hook and loop fasteners around the frame and secure with the hook attachments.

PEG DOWN

Position shower legs out to ensure the floor is taught then peg to secure. Unroll all guy ropes to their full length and peg down. Tighten guy ropes by adjusting the slider.

SET UP CONTINUED

TOWEL ROD SET UP

- Towel rack can be attached in multiple locations within and outside the shower tent.
- Connect 2 x hanging attachments to the towel rod with the C clips.
- Attach hanging attachments to the corresponding loop connectors.

STORAGE ORGANISER SET UP

The storage organiser can be set up within the shower tent in multiple locations via the corresponding loop connectors.

SHOWER HOSES / SHOWER BAG SET UP

This shower tent has multiple access ports for a hose to access an external hot water system.

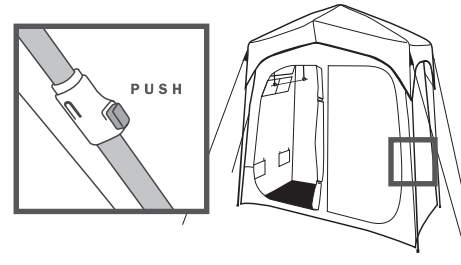

A solar shower bag can be hung from the central hook that connects to the main frame for support.

Do not hang more than 20L from the central shower hook.

SHOWER TENT PACK DOWN

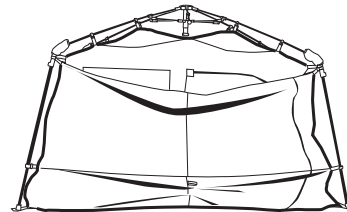

UNPEG SHOWER TENT

Remove all pegs and roll up the guy ropes. Collapse the leg poles by pushing the release button to retract each leg pole.

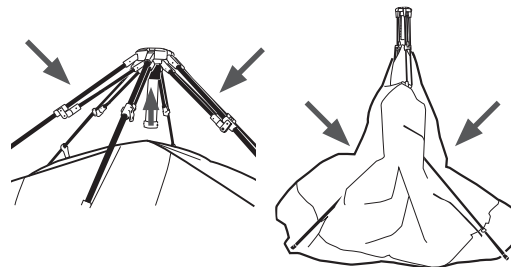

REMOVE CANOPY

Unhook and remove the canopy from the shower tent.

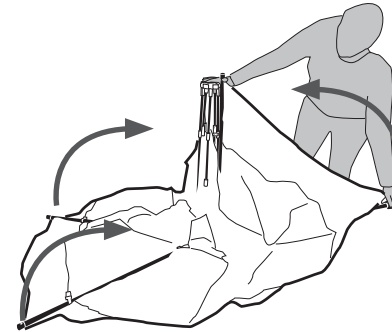

COLLAPSE MAIN FRAME

Lift the base section on the central hub up to release the frame. Fold by lifting the frame up and collapsing inwards.

FOLD UP FRAME

Fold each leg and pole section inwards towards the central hub.

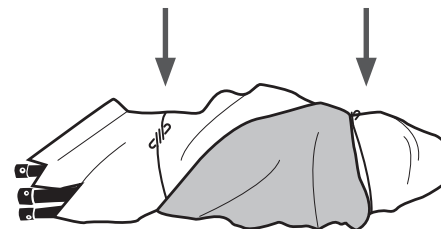

GATHER FRAME

Gather the four leg and pole sections to an upright and central position for packing.

ROLL SHOWER TENT

Lay shower tent down and gather by rolling firmly then secure with the straps.

SHOWER TENT STORAGE

- Pack shower tent, pegs, towel rod and storage organiser back into the storage bag.
- Ensure shower is completely dry before storing away.

CARE INSTRUCTIONS

- Do not machine wash
- Spot clean and hand wash tent and canopy only
- Do not clean with soap, detergent, petrol, oil or solvents
- Do not iron
- Do not dry clean
- Lay on a flat surface to dry
- Ensure structure is fully dry before storing
