

WHAT IS FLOW THROUGH?

The OCS Flow Through program changes the way that cannabis is bought & sold in the province. Flow Through listings are not stocked by the OCS, but instead “flow through” their warehouse on a made-to-order, demand basis.

Flow Through orders are made through the OCS Wholesale Retailer portal.

WHY ?

Benefits of buying Flow Through

Exclusive Drops

Access to exclusive drops that can't be found on GL or OCS.ca
Creates opportunity for new craft brands to enter the market.

Ghost Drops

Ghost Drops newest line-up is exclusively on Flow Through, allowing us to package and ship fresh product to retailers on demand.

Guaranteed Inventory

Once product is ordered, inventory is guaranteed. Removal of “lottery system”. Guaranteed to receive the cases you ordered.

HOW ?

How does this new inventory system operate?

1

Order week

TUESDAY -> MONDAY
Retailers order product via Flow Through.

2

Manufacture Week

TUESDAY -> MONDAY
OCS cuts Purchase Order and LPs manufacture, package & ship product to the OCS.

3

Delivery Week

OCS ships product and retailers receive on allotted delivery date.

WHEN ?

When is the order and delivery dates?

Order Weekly

Orders can be placed once a week on your regular order date. Once in a cadence, order and deliveries will occur weekly.

Don't Wait!

Don't wait to order until your first delivery arrives as you will have to wait 2-3 weeks for your re-stock order!

Payment Terms

Payments for orders will be made one day before orders arrive, just like general listing orders.

Delivery to store from order day = 17 days total lead time
