	18 .							
Image: Contract of the set of the s	To change text wrapping, click the small box next to the image to show 'layout options'. Click the text wrapping option, called 'Through'. This means you can put the image anywhere you like on the page!							

	Top Tip - if you make a mistake, don't worry! Just click the 'undo' arrow at the top and you can undo what you have done. It undoes 1 move at a time so you can keep clicking it until you get back to where you want to be!

Printing Tips

*We recommend using a super smooth matt white paper, available from any stationers or craft store. *Use any thickness of paper your printer will take. We suggest not less than 120 gm weight for a crisp, clean result. *Just leave it to dry for 5 minutes before using your marker pens and pencils!
