4-in-1 Learning Tower

Assembly Instruction Manual

Step 1

Attach the bottom panel (II) to the main frame (I) by using the allen bolts as shown in the picture.

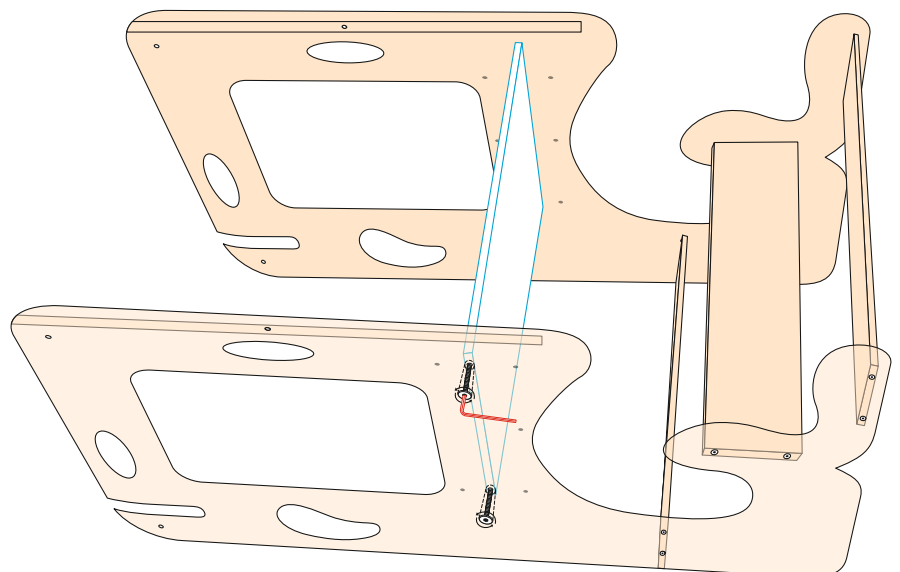

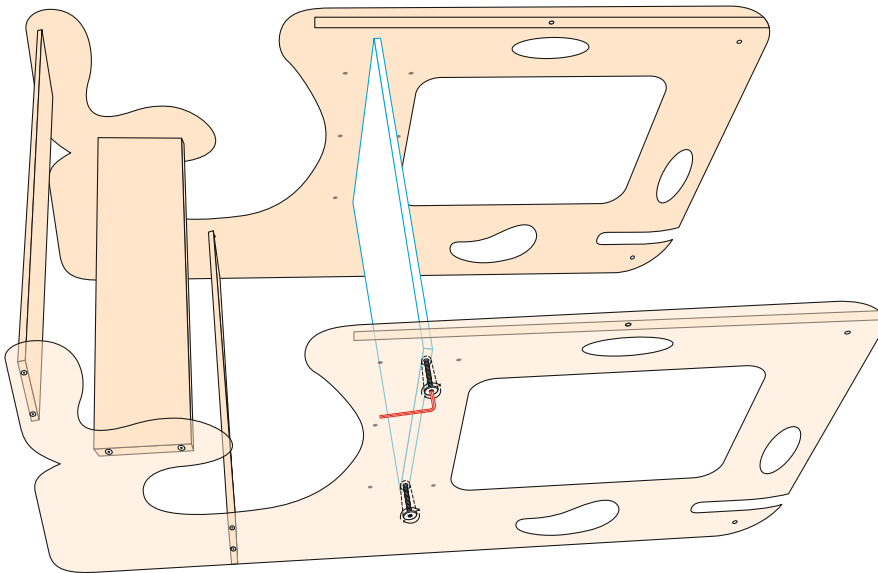

Step 2

Connect the back support panel and seat panel (III) with the allen bolts as shown in the picture to the main frame structure (I) as you did in step 1.

Step 3

Attach the Kitchen helper panel (II) to the main frame structure as shown in step 1 & 2 using allen bolts as shown in the picture.

Step 4

Use the allen bolts shown in the picture to attach the two beech wood rods (VI). Insert reversible writing board (V) to the main structure and use the knob screw (c) to screw on the middle hole of activity board as shown in the picture.
