

ALVI'S DRIFT

# ALBERTUS VILJOEN ICON RANGE CHENIN BLANC 2017

This brilliant, light-straw coloured wine has a complex nose dominated by nectarine and peach, with well-integrated toasty oak characters. It boasts a rich and creamy palate with a viscous mouthfeel and aromas of roasted cashew and vanilla pod. A soft, full-rounded and elegant wine with a palate that fantails out towards a long-lingering finish.

## ON THE VINES

With an ideal Mediterranean microclimate, an abundance of soil diversity and water from the life-giving Breede River, the Alvi's Drift vineyards are ideally positioned for producing remarkable wines of unique character and complexity.

The pinnacle of all Alvi's Drift Chenin Blanc wines, the grapes for our Albertus Viljoen Chenin Blanc are hand-selected from our established, 25- to 40-year old Chenin Blanc vineyards in the cool, early morning hours; then whole-bunch pressed to ensure the preservation of natural fruit flavours.

## IN THE CELLAR

To make this wine, a variety of grapes were carefully selected for their unique characteristics from our prime, well-established Alvi's Drift Chenin Blanc vineyards. After pressing, grape juice was 100% barrel fermented in oak, making use of wild yeast fermentation.

After fermentation, the wine was matured for 11 months and kept on lees to improve mouthfeel and complexity, with regular bâtonnage applied. After maturation, wine from each barrel was individually tasted before blending.

This wine boasts superior structure and will improve with cellar maturation of at least five years.

## HERITAGE

In 1928, our family patriarch, Albertus Viljoen van der Merwe – “Alvi” to his friends – established a farm south of the town of Worcester, South Africa. Alvi's son, Bertie, started wine production on the family farm and today the award-winning Alvi's Drift wines are created by winemaker Alvi van der Merwe, Oupa (grandfather) Alvi's grandson and namesake.

Our Albertus Viljoen Icon range showcases the best of our harvest, full-bodied, barrel-fermented wines of outstanding character and complexity.
