ALBERTUS VILJOEN Chenin Blanc 2018

The Wine

Albertus Viljoen Chenin blanc is the best of the best of the wines made at Alvi's Drift. Hand selected in the vineyard and whole bunch pressed in the cool early morning to preserve the flavours' of nature.

In The Cellar

The wine is barrel fermented with a selection of wild and cultured yeast and matured for a further 11 months. After fermentation, the wine is stored on its lees to improve mouthfeel and complexity.

Tasting Note

The wine has a light and brilliant straw colour. The complex nose is dominated by nectarine and peach fruit with well-integrated toasty oak characters.

The palate is rich and creamy with a viscous mouthfeel. Aromas of roasted cashew nuts and vanilla pods tease the senses. Soft, full and round but elegant, the palate lingers for an eternity.

Cultivar Information

100% Chenin Blanc

Analysis

- Residual Sugar 4.5 g/l
- Alcohol 13.5%
- Acidity 6.9 g/l
- pH 3.2
