SIGNATURE Pinotage Rosé 2020

The Grapes

Our vineyards are grown using a philosophy of sustainability and minimal intervention and are fertilized with natural compost produced on the farm. Vineyards are meticulously managed to optimize quality. Grapes are selectively hand harvested to ensure only healthy, ripe bunches are used for production.

In The Cellar

Made from optimally ripe Pinotage grapes, the fresh, cool juice was kept in contact with the grapes just long enough to obtain the brilliant pink hue without the extraction of harsh tannins. The juice was then clarified and fermented cold in the same fashion as white wine.

Tasting Note

Beautiful salmon pink colour that shimmers in the glass like a wonderful African sunset in the sky. Intense fruit on the nose, that reminds you of ripe red cherries, raspberries, that follows through on the palate, balanced well with zippy acids, lingering and leaves a beautiful fresh red cherry fruit on the finish.

Serving Suggestion

Ideal with Margherita Pizza, a must on a picnic accompanied with fish or even chicken liver paté. Grilled pork as well as beef or springbok carpaccio.
