**E-MOBILITY:
WORK IN A PERFECTLY
PROTECTED WAY** WITH THE
VDE-CERTIFIED
TOOLS FROM WIHA.

EV & Hybrid Solution

Grabbing any off-the-shelf tool is not going to cut it when servicing electric vehicles (EV), hybrid electric vehicles (HEV) or battery electric vehicles (BEV). Safety must be the top priority. Developed with input from the leaders in OEM electric vehicles; the 26 piece Wiha Insulated EV Essentials Tool Kit has the tools you need to get the job done; plus the peace of mind using individually tested, 1,000 Volt Rated, Insulated VDE Screwdrivers, Sockets, Ratchets, Extension Bars, Wrenches, Pliers, Cutters, Cable Stripping Knife, and Tweezers.

Every single Wiha insulated tool is certified to 1,000 volts AC (1,500 volts DC) for safety in energized applications. But we don't stop there; Wiha individually tests each tool in house to 10,000 volts AC. Wiha Insulated tools are VDE Certified and meet EN/IEC 60900 testing standards for protection against arc flash explosion, ASTM F1505 standard specifications for insulated and insulating hand tools, NFPA-70E standards for electrical safety on the jobsite, and CSA testing benchmarks for safety and performance. Trust the Wiha EV products for your specialized automotive mechanic needs.

You can buy with confidence knowing that this product is backed by the Wiha No Hassle Guarantee.

For your safety, use tools marked:

ASTM F1505
> Meets Specifications

GOOD

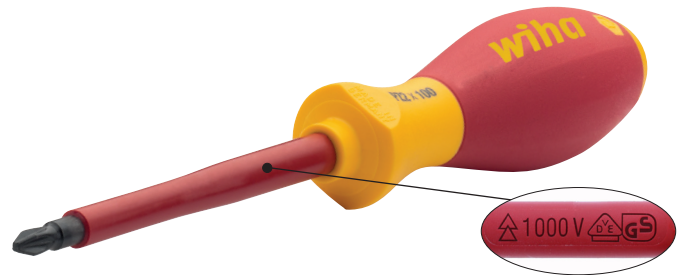

IEC 60900

> Certified & Tested

BEST

- ◆ Individually tested to block potentially hazardous voltages from reaching you
- ◆ Double insulation certified to protect user and equipment
- ◆ Ergonomic cushion grip handles for less strain and maximum comfort

WARNING!

Insulated Tools are intended to provide protection against accidental contact with charged energized circuits. For maximum safety we recommend de-energizing all circuits whenever possible before starting work on electrical apparatus or conductors. Always visually inspect insulation on tools before use, do not use tools if insulation shows signs of wear or damage to the insulated areas of the tool. Wear appropriate eye protection when using hand tools. Use NFPA70E certified insulated protective outer wear when appropriate.

Use & Care Guide For Insulated Tools:

Store tools to minimize risk of damage to insulation, always wear approved eye protection, Inspect insulation prior to each use of any insulated tool. Use insulated tools where the ambient temperature is between -20 to +70° C. Have a qualified safety technician visually inspect insulation on tools annually for safe use.

EV
26 **Piece**
Essential
Tool Kit

Developed with input from the OEM leaders in electric and hybrid vehicles, the Wiha EV Essentials kit provides the technician with a VDE certified solution for high voltage auto repairs. All of these tools come in a sturdy plastic shell case with metal hinges and finger recesses for pulling tools out easily.

NO HASSLE GUARANTEE

No Hassle Guarantee

Wiha branded tools are regarded as the most durable, best designed and highly innovative products around. Our tools are used by demanding professional tradespeople and tool aficionados alike. They are meant to be used and utilized often. However, if you are not happy for any reason return them within 12 months of purchase with proof of purchase and we will **Repair or Replace**.

Rest assured, if for some reason there is a defect in material or workmanship we will replace your tool free of charge for as long as you own the tool.

Failures due to misuse, abuse or normal wear and tear are not covered by this guarantee. We stand by our products with what we believe is the best **No Hassle Guarantee** in the industry.

Exclusions

Wiha Tools has the right to exclude Bits, Tweezers and Ceramic Screwdrivers. These products are either consumable or wear easily.

All torque tools are designed for 5,000 cycles or 1 year (whichever comes first). If a tool becomes out of specification within that period Wiha Tools will **Repair or Replace**. Visit www.wihatools.com to learn more about our Torque Control Service Program.

Legal

Some areas do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This guarantee gives you specific rights, and you may also have other rights, which vary, from state to state, province to province, or country to country.

This **No Hassle Guarantee** is the sole and exclusive guarantee for the Willi Hahn Corporation dba Wiha Tools. No employee, agent, dealer, or other person is authorized to alter this guarantee or make any other guarantees on behalf of Wiha Tools.
