

## CRISS-CROSS™

## Wipe-Off™

Wipe-Off™ Performance Finish dramatically increases stain resistance while preserving the integrity and the pearlized luster and softness of Criss-Cross™.

There are three methods of cleaning Criss-Cross™, and recommended brand products for cleaning. All cleaning methods require a clean lint-free cloth, and rinse with clean fresh water. It is suggested to first test each method in an inconspicuous area of the seating.

### Method 1:

For most common stains and soiled areas use a mild liquid soap and water.

### Method 2:

If method 1 does not work, use either FANTASTIK™ or MR. CLEAN™.

### Method 3:

For tougher stains such as permanent marker, paint, ballpoint pen, and lipstick use 70% isopropyl alcohol.

Refer to the chart below for all cleaning methods and types of stains.
