

## Lunar Landscape Painting Instructions

### Build & Fly Challenge: Lunar Landscape Paintings

Learn about the surface of the moon with lunar landscape paintings.

#### Instructions

**Materials:** Black paint, white paint, glitter, chalk, water, hammer, ziploc bag, paint brush, black paper, cardboard, paper plate, hair dryer

**Step 1:** Mix black and white paint on a paper plate.

**Step 2:** Add glitter to your paint.

**Step 3: (ADULT REQUIRED)** Place white chalk into the ziploc bag. Hammer until chalk is crushed.

**Step 4:** Add chalk to your paint to create texture.

**Step 5:** Mix together chalk, paint and glitter to create your lunar paint.

**Step 6:** Dap paint onto the black surface you've created. Wait for it to dry or use a hair dryer.

**Step 7:** You're finished! Show off your lunar landscape to friends and family.
