WARNINGS & CAUTIONS

1. Ensure the pool filtration system is OFF 15 mins before using the vacuum.
2. Keep the Pool Vacuum Cleaner out of reach of children or persons with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction.
3. Use only the original charger supplied with the pool vacuum and manufactured by Kokido.
4. Charge and store the vacuum in a shaded dry area.
5. Prior to connecting the charger for charging purposes, verify that the connector and socket are dry and clean.
6. Before operation, disconnect the charger and adapter.
7. Make sure the pool vacuum is fully immersed in the pool before initiating operation.
8. Under no circumstances should you attempt to disassemble the pool vacuum. Doing so would void the warranty.
9. Do not enter the pool while the pool vacuum is working.
10. The pool vacuum must be charged before storage.
