

RING SIZING GUIDE

A ring should fit comfortably on the finger of the wearer as well as be snug enough to prevent it from accidentally falling off. Ring size can also be measured easily at home by any of the following ways.

1. Use a ruler to measure the inside diameter of the ring
2. Read the measurement in cm
3. Use the chart below to convert the size from cm to regular US ring size

The inside diameter of your ring in cms is the ring size.

NECKLACE SIZING GUIDE

Necklaces and chains are available in different lengths and styles. You should choose the length and style of the necklace or chain based on neck size, personality and clothing.

Neck size can be measured easily by using a sewing (soft) measuring tape. Wrap this tape around the base of your neck to determine neck size. If you don't have a soft measuring tape, then you can also use a yardstick, ruler or stiff metal measuring tape. In this case, you need to wrap a ribbon around the base of your neck, mark the spot where it meets, and then lay it against the yardstick or metal measuring tape to determine neck size.

Collar Length: 12-13 inches

Collar necklaces are worn closely around the neck and can consist of multiple strands. This type of necklace looks nice with V-necks, boat necks and off-the-shoulder clothing

Choker Length: 14-16 inches

A Choker has a very classic as well as a versatile look and falls around the base of the neck. Chokers look beautiful on all types of clothing or neckline.

Princess Length: 17-19 inches

The Princess is the most popular necklace length and falls just below the throat. It lies between choker and matinee length. A pendant can also be added for a bold and eye-catching look. Princess necklaces look beautiful on all types of attire.

Matinee Length: 17-19 inches

Matinee style also offers one of the most popular necklace lengths and it comes in between princess and opera length. Matinee necklaces look stunning on casual or business attire

Opera Length: 30-36 inches

Opera necklaces come in lengths which range from 30 to 36 inches long. You can wear this as a single or double strand. It is perfect for high or crew necklines and is very complimentary, especially to evening wear.

Rope Length: 40-45+ inches

A Rope necklace comes in the longest length and it has a different and dramatic look. A rope necklace looks elegant on most any type of clothing. This necklace can be transformed into multi-strand necklace and when worn with strands of graduated lengths, it is known as a bib necklace.
