## STEPS TO INSTALL THE MINI-PAD

### STEP-1

NOTE: Remove all the legs from your trampoline.

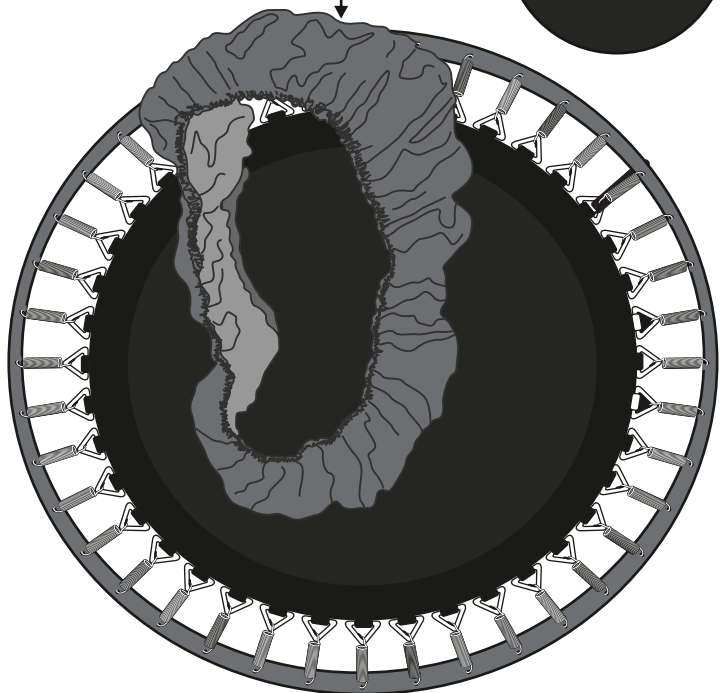

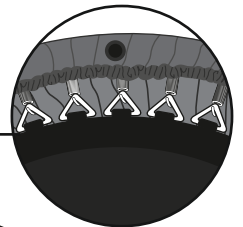

### STEP-2

Locate a hole along the outer edge of the pad, and align it with one of the threaded leg connectors.

### STEP-4

Adjust the cover where necessary so that it evenly covers all the trampoline springs, laying flush with the jumping mat.

### STEP-5

Reattach the trampoline legs and stand the trampoline firmly on the ground.

### STEP-6

Start Bouncing!
