PRODUCT RANGES

UNLIMITED SERIES

When only the best will do EDGE Unlimited is the only range for you. Our most uncompromising range encompassing of all the latest technology and design. We are able to offer the biggest, strongest, loudest and most powerful products we have ever produced. This range is not for the faint of heart and is used in competition winning installs around the world! When you want to be a winner choose EDGE Unlimited.

XTREME SERIES

Want to be the loudest on the street? Want to push the limits? The Xtreme series combines some of the most powerful subwoofers, amplifiers and speakers into one range! With brand new subwoofers and amplifiers, we're truly living up to our premise of producing revolutionary car audio. Want to be seen and heard? Choose EDGE Xtreme.

STREET SERIES

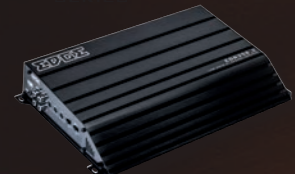

The Street series is where it all began! In 2007 we began setting the streets on fire with the EDGE brand and the current incarnation of the Street series is stronger than ever. In this range we start to push the boundaries of car audio with high levels of Pro audio, trunk rattling subwoofers, alongside component and coaxial speakers to suit all needs.

DBX SERIES

When the DB series from EDGE just doesn't feed your need for extreme audio, the DBX series pushes the boundaries of the best value range on the market!

DB SERIES

The DBX series offers an extreme take on our DB series, this is high powered subwoofers, super loud Pro audio speakers, tweeters and a brilliant range of amplifiers to power them all. When you want to push your budget go DBX.

The EDGE DB Series was designed to offer the best bang for buck products on the market.

With subwoofers, Coaxial speakers, Pro audio speakers and amplifiers, the DB series provides everything you need to be the loudest on the streets.

PRO AUDIO

When traditional car Hi-Fi upgrades are just not enough, look no further than EDGE Pro audio.

A Pro speaker is designed to give concert level volume from your car. Using highly efficient drivers in cohesion with lightweight paper cones and multiroll surrounds paired with extreme efficiency compression and bullet tweeters.

This combination of efficiency and power delivers wonderful clarity of sound paired with a volume level you would expect from a festival.

With Pro audio featured across all of our ranges, EDGE has Pro audio to suit all budgets.

ENCLOSURES

No matter how complex or simple your car; adding a subwoofer is the single most impressive change you can make to any car audio system. At EDGE we believe in making this first step as simple as possible.

Our range of industry leading active bass enclosures are built to produce excellent results even from a small compact size.

Our brand started life by producing only bass enclosures. We understand how important this first stage of the upgrade can be in creating a life time of bass enthusiasts. You bass upgrade starts here.
