

Palisades™ Pack

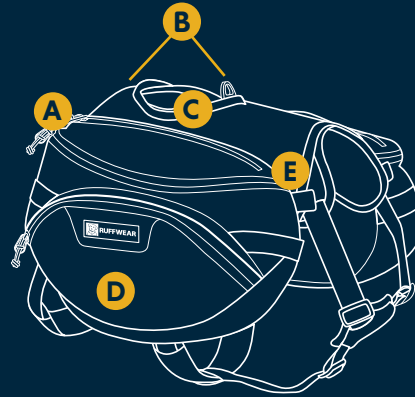

a multi-day backcountry pack with removable saddlebags, two collapsible hydration bladders and a cross-load compression system

KEY FEATURES

Five points of adjustment for a custom fit

- A** Trail-ready details: stash pockets and external gear loops
- B** Two points of leash connection: single-piece, anodized aluminum V-ring or webbling loop
- C** Padded handle and non-slip girth straps offer good load dispersion for controlled and comfortable lifting
- D** Cross-load compression system secures pack contents
- E** Saddlebag attachment system uses aluminum hardware and Hypalon fasteners for a strong and secure connection
- F** Two 1-liter collapsible, BPA-free hydration bladders

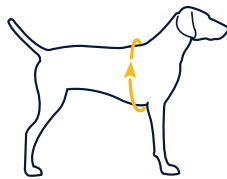

ACTIVITIES: Backpacking, Camping

TRIP LENGTH: Multi-day
