

PICKING YOUR PAINT

FINISH TYPE	SUITABLE FOR	ABOUT THE FINISH
FLAT	Ceiling	Flat uniform finish without roller marks
MATT	Low traffic interior walls and ceiling	Gives a calm and serene feeling Hides imperfections well Softens the effect of glare in areas where there are large windows Marks more easily than higher sheen finishes
LOW SHEEN	Our favourite for all interior walls.	Velvety finish Super hard wearing and easy to clean Hides surface imperfections better than gloss paint Resists knocks and scratches
SEMI GLOSS	Interior walls, doors, trims woodwork	Slight glossy appearance Suitable for all interior surfaces Great for high traffic areas Offers good Stain resistance
GLOSS	Doors and architraves, skirting, woodwork, accent walls - areas subject to heavy wear	Adds energy and excitement Can highlight imperfections Highly reflective and hard wearing, easy to clean
