

A top-down view of a dining table and chair. The table is made of light-colored wood and is set with two white plates, a black teapot on a tray, and a small white cup. A white plastic chair with wooden legs is tucked under the table. The floor is covered in a pattern of large hexagonal tiles in shades of orange, red, and beige, with a smaller patterned tile border. The word "FLAMINGO" is written in large, white, serif capital letters across the center of the image.
