SIEGE

WHEEL & TYRE CLEANER

Siege is a dilutable Alkaline wheel cleaner, high foaming and gel based to improve cling time on wheels & tyres.

Designed for filthy wheels in need of a deep clean, Siege will have no trouble in ripping through brake dust and removing browning from tyres.

Pear scented and bright blue this cleaner is a joy to use; who said wheel cleaning has to be a chore?

RESTORES NEW TYRE LOOK

REMOVES HEAVY BRAKE DUST

"Brilliant stuff, one of the few wheels cleaners that actually cleans!"

SCOTT
UNITED KINGDOM

MORE INFO

AVAILABLE IN 500ML/5 LITRE

INK

TYRE DRESSING

Advanced SiO2 dressing and the ease of use of a water based tyre cream.

After many derivations we finally have it, introducing...INK tyre dressing - one of the best tyre dressing products on the market!

Infused with SiO2 to provide durability with a creamy consistency making application a breeze!

Cocoa butter scented to add a touch of luxury and bright blue to aid in not over applying to the brush no stone has been left unturned in its development!

SATIN OR GLOSS FINISH

NOURISHES RUBBER

*“Highly recommended!
Nice finish. Not too shiny. Easily applied with the tyre brush.”*

ANDREW
UNITED KINGDOM

[MORE INFO](#)

AVAILABLE IN 500ML/5 LITRE

ROTOR

ANTI-CORROSION WHEEL SHAMPOO

Rotor is safe on ceramic coated wheels at low dilutions and tough on dirt at high dilutions.

This is a deep cleaning alkaline formula with added rust inhibitors to help battle against corrosion, it also doubles up as an excellent undercarriage cleaner too!

ANTI-CORROSION PROTECTION

HIGH FOAMING

“Great, Foams up very well, smells lovely and does an excellent job”

AKY.A
UNITED KINGDOM

AVAILABLE IN 500ML/5 LITRE

FLAIR **QUICK DETAILER**

Flair is a super-easy, slick quick detailer. Designed to provide outstanding gloss, beading and ease of use.

Consisting of a special lubricating additive as well as anti-static properties to help maintain your finish between washes. Works amazingly as a drying aid on wet vehicles and is great for touch-ups to boost gloss and promote fine beading.

ANTI-STATIC FORMULA

INCREDIBLY SLICK

*“Highly recommended!
It leaves an amazing finish on your car. The shine lasts for weeks.”*

**PARRY
WALES**

CONTACT CAR SHAMPOO

Pure shampoo with added surfactants for lubricity .

Contact Car Shampoo is designed to provide as much lubrication as possible. The product features advanced surfactants which provide a crazy amount of slickness.

Recommended to be used through a snow foam lance to truly appreciate that fabulous slickness!

HIGH FOAMING FORMULA

INDUSTRY LEADING SLICKNESS

“Great!, Love this stuff, it doesn’t strip previous waxes so it’s safe to use on all types of paint work”

CHRIS
UNITED KINGDOM

MORE INFO

BALTIC

ANTI-CORROSION SNOW FOAM

Efficiently cleans off the dirt while maintaining your sealant protection

Baltic Snow Foam Shampoo works without creating this damage by using sophisticated sugar-based surfactants to eat into the dirt and not your protection - giving you a deep cleaning, residue free pre-wash leaving as the paint as clear as possible!

HIGHLY CONCENTRATED

ANTI-CORROSION FORMULA

*“Highly recommended!
Very nice snow foam, excellent that it doesn't contain salts like most high street brands.*

ANTHONY
UNITED KINGDOM

MORE INFO

AVAILABLE IN 500ML/5 LITRE

ZEST

GEL CITRUS PRE WASH

Zest is a sophisticated gel prewash, designed to remove as much road grime as possible before contact washing without harming your protection.

Formulated as a thick gel to increase dwell times and is heavily dilutable allowing you to fine tune its cleaning power!

Zest is also infused with corrosion inhibitors which makes it essential for winter washes!

HIGHLY DILUTABLE

THICK GEL FOR DWELL TIME

*“Highly recommended!
I’ve used it on my lorry and it’s the best to get off grime and good for cleaning mats”*

CHRIS

MORE INFO

SOLD INDIVIDUALLY IN BRANDED PACKAGING

WHEEL BARRELL BRUSH

Featuring a unique woven microfibre, our brush has an extra long brush head (315mm) and a comfortable plastic handle for long wheel cleaning sessions.

The microfibre is intertwined into a steel braid resulting in a very low profile, allowing to reach behind the callipers easily. But unlike nylon alternatives won't damage gloss black wheels.

DESIGNED FOR LARGE BRAKES

EXTRA LONG BRUSH

ERGONOMIC HANDLE

MORE INFO

SOLD IN BRANDED DOYPACK

WHEEL & TYRE TOWEL

Made from twist loop microfibre this towel will make quick work of hoovering up any left over water and its long strands make it excellent for reaching into the tread of the tyre

Not only is it excellent for drying, but after using a tyre dressing, you can knock back the shine to leave a satin finish.

DESIGNED FOR WHEELS

COMPACT DESIGN

MADE IN S.KOREA

[MORE INFO](#)

SOLD IN BRANDED DOYPACK

WASH PAD

Featuring a unique viscose yarn that releases dirt easier than traditional microfibre.

A light viscose yarn is used, this soaks up less water yet still delivers more than enough shampoo to the panel resulting in a much lighter pad over conventional style pads.

PROPRITARY CONSTRUCTION

MADE IN S.KOREA

MACHINE WASHABLE
