Key/Lighting Effects Customization Instruction

1. The key/lighting effects customization can be programmed by MonsGeek driver.
2. The lighting effects can also achieve audio visualizer effects with MonsGeek driver.
3. Please download the MonsGeek Driver on our website.
4. Users can download the driver via www.monsgeek.com.

MONSGEEK Warranty and Service Statement

1. MONSGEEK offers a One-Year warranty for customers in mainland China. For other regions, please contact your seller (MonsGeek distributor) for specific warranty details.
2. If the warranty period expires, customers are responsible for repair costs. MONSGEEK provides instructions for self-repair if preferred, but users assume full responsibility for any losses incurred during the process.
3. Disassembling the keyboard without manufacturer/seller's instruction will void the warranty immediately.
4. Return and warranty policies may vary across platforms and are subject to the specific distributor's terms at the time of purchase.
