

one day in Villach

by MANDULIS

Players: 2 - 8

Age: 6 - 99

Content: 8 game pieces, 1 dice, 4 game instructions

Game preparation

Music makes life more colourful! Chose a player as DJ of the game. This person responsible for the musical background of the fields of action. The music note  gives you an indication when it's time to play a song. Scan the QR code to download a music recommendation.

Course of the game

From the start you cross the region Villach - Faaker See - Ossiacher See. Roll the dice through summer or winter and solve the tasks of the action fields. Place the game instruction next to the game to see which action is to be performed on which number.

Legend summer

-  Become active and fulfill the task.
 -  Perform the action on the board.
 -  It is time to play a song
-

Legend winter

-  Become active and fulfill the task.
 -  Perform the action on the board.
 -  It is time to play a song
-

Rules of the game

-  The player who does not complete the task of the action field, has to miss one turn.
 -  If several players come onto a playing field, they must greet each other or drink something together.
 -  The dice is rolled clockwise. The youngest player starts. In each round, the player furthest away from the target may roll twice and add the number to make up the difference.
-

Target of the game

Try to cross the finish line as fast as you can. The winner will be invited by the looser to a destination of his choice.
