Game preparation

Choose a player to be the "Rössl landlady", who will guide you through the game. She will tell you which tasks you have to fulfil and she is responsible for the musical background. The music note  gives you a hint when it's time to play a song. Scan the QR Code to download a music recommendation.

For reasons of legibility, the male language form was used in the text (except landlady).
Of course, all versions apply equally to members of all sexes.

Board game "White Horse Inn"

Welcome to the White Horse Inn on Lake Wolfgang

Immerse yourself in the world of the traditional hotel and feel the magic of the season. Throw yourself through the rooms of the legendary house and walk in the footsteps of the "Rössl Operetta" by Ralph Benatzky. Here you can show off your acting and singing talents.

Legend board game "White Horse Inn"

-  Become active and fulfil the task.
-  Perform the action on the game board. The red arrows indicate, that it is time to start new paths. From the next round you follow the red line.

Rules of the game

The player who does not complete the task of the field of action has to skip one round.

If several players come onto a playing field, they must greet each other or drink something together.

The youngest player goes first. The game then continues in a clockwise direction. In each round the player furthest away from the target may throw the die twice and add the numbers to reduce the residue.

End of the game

Try to cross the finish line - with the exact number of eyes - as fast as possible. The winner may check in for a day as a guest in the loser's house and be pampered there. Of course, good food, a spa package and exquisite wines are included.

Fields of action "White Horse Inn"

- 1 **Welcome:** Welcome to the "White Horse Inn". Slip into the role of the landlady Gudrun Peter and greet your fellow players effusively. Tell them, how happy you are to see them.
- 2 **Rösslterrasse:** Dive into the operetta by Ralph Benatzky and sing:
*"Im „Weißen Rössl“ am Wolfgangsee, dort steht das Glück vor der Tür
und ruft dir zu: „Guten Morgen, tritt ein und vergiss deine Sorgen!“
Und musst du dann einmal fort von hier, tut dir der Abschied so weh,
dein Herz, das hast du verloren im „Weißen Rössl“ am See!"* (Peter Alexander) 🎵
- 3 **Seerestaurant:** Prove that you are an equally good head waiter as Mr. Leopold and serve your fellow players a cool drink of their choice.
- 4 **Spa on the lake:** You make a jump into the all-year-round heated lake lido. Show the other players how refreshed you are while you step out of the pool sexy as a model.
- 5 **Alpine Wellness:** The "Rössl Pool", the world's first floating Jacuzzi, is a magical attraction. From the next round you go quite comfortably to explore the outdoor wellness area.
- 6 **Lake:** The waves, the turquoise blue sparkling water and the majestic mountain landscape in the background - deliriously happy you talk like a tipsy for 1 round.
- 7 **Party animal:** From the water you can hear people singing, laughing and dancing on the "Rösslterrasse". A party without you? Never! You swim quickly to the lake shore.
- 8 **Advent:** You enjoy the magic of Advent and you take part in a boat ride by lantern light on romantic Lake Wolfgang. Close your eyes and listen to the words of your left fellow player, who sings a Christmas Carol.
- 9 **Seerestaurant:** Heated up by the romantic atmosphere you decide to make a declaration of love on a player of your choice. However, the latter reacts defensively and irritated.
Use the following words in the scenic presentation:
Approach: come close to you - missing - hot - heart- vanilla ice cream - breasts - lovers
Defence: eyes in love - legacy hunter - mind - shape up or ship out - libertine
- 10 **Seebar:** To calm down the heated minds, invite all players for a cup of tea to the Seebar. It feels like a tea party of the high society. For 1 round you all behave like nobles and speak in a nasal accent.
- 11 **Sauna:** You enjoy the spa area at the "White Horse Inn", especially the sauna with views over Lake Wolfgang. It's hot there - make you and the player of your choice sweat.
- 12 **Relaxation:** Treat yourself to a tingling luxury and go to the "SPA on the lake" - the perfect place to rest and relax in the open air.
- 13 **Jacuzzi:** While you sit in the floating Jacuzzi and relax you sing out of sheer happiness:
*"Schön ist die Welt, schön ist die Welt, heute hab'n wir wieder Sonnenschein.
Blühendes Feld, Lachende Welt, wer wird da noch melancholisch sein?
Hör doch mal zu, hör doch mal zu, jeder kleine Vogel singt dich wach.
Pfeif doch auch du, pfeif doch auch du oder sing dir was in'n Bart".* (Ralph Benatzky / Peter Alexander) 🎵
- 14 **Relax area:** In the rest area you can hear that the player on your left side (name: Bald Consolation) and the player on your right side (name: Bald Friend) are arguing about who has the better hair restorer. Both are trying to persuade you to try out their product. The player with the better arguments may move 5 fields forward.
- 15 **Meeting:** Klärchen, another guest of the hotel is talking to you. You find her speech impediment so sympathetic that you also start to lisp for 1 round.

- 16 Pedal boat:** You are being watched from the sun loungers and you want to look particularly sporty and sexy. Show us for 30 seconds how fast you can pedal while you emphasize your muscles and throw flirty glances.
- 17 Kaiserterrasse:** At a romantic dinner in the awarded "Kaiserterrasse" Restaurant you confess your love to a player of your choice by singing:
*"Es muss was wunderbares sein, von dir geliebt zu werden.
 Denn meine Liebe die ist dein, solange ich leb auf Erden.
 Ich kann nichts schöneres mir denken, als dir mein Herz zu schenken; wenn du
 mir deins dafür gibst und mir sagst, dass auch du mich liebst".* (Ralph Benatzky / Peter Alexander) 
- 18 Achievement:** You charmer! Your advances have an effect. Your beloved is ready to follow you immediately for a glass of wine into the rock cellar. Move 3 fields forward.
- 19 Tasting:** Get a blindfold. The other players will give you three different drinks or dishes to taste. Guess all correctly or you have to skip 1 round.
- 20 Rock Cellar:** The romantic atmosphere awakens passionate feelings in you. You dance closely with a partner of your choice and whisper declarations of love into his or her ear. (Connie Francis) 
- 21 Tipsy:** Exhilarated by the extensive wine tasting you sing a song from Ralph Benatzky:
*"Im Salzkammer gut, da kammer gut Lustig sein - Wenn die Musi spielt, holdrio.
 Im Salzkammer gut, da kammer gut Lustig sein - So wie nirgendwo, holdrio".* (Peter Alexander) 
- 22 Christmas market:** You always wanted to be a Christmas Angel. At the Christmas market this feeling is so strong that you make a present to the player on your right side.
- 23 No escape:** The "St. Wolfgang Advent" is simply unique. Arts and crafts as far as the eye can see. You have shopped a lot. Bring the bags back to the hotel and go 4 fields forward.
- 24 Zwölferhornbahn:** There is no sin on the alpine pasture. Give a fellow player a peck.
- 25 Kronprinz Rudolf:** You were initiated into the secrets of making an apple strudel while eating it. Show how to knead and pull a dough properly on the back of a fellow player.
- 26 Caught:** At the moment you tried to taste the altar wine an acolyte catches you red-handed. You leave the church very quickly through the back exit.
- 27 Kaminbar:** You were too long at the chimney bar and missed the morning church service. You have a bad conscience. Choose a player to take the confession.
- 28 Dance:** After a few glasses of "Rössl Spritz" you are high-spirited. Ask all guests of the "Rösslerei" (all players) to dance with you one round. (Caterina und Silvio) 
- 29 Rösslerei:** "Rössl-Konfekt" and a coffee, what could be nicer? Because you over did it with the caffeine, you cannot sit still anymore - move 4 fields forward.
- 30 Lebkuchen Gandl:** Even the pilgrims of the 14th century took St. Wolfgang's gingerbread (Lebzelten at that time) as provisions with them on their way. Be a true pilgrim and go back to the church of St. Wolfgang.
- 31 Tired:** Overwhelmed by the many beautiful impressions you fall asleep in the cosy hotel room (design: raum²). Enjoy the atmosphere of the room for 1 round.
- 32 Goodbye:** To say goodbye, you slip into the role of the landlady once again. Thank your guests in two different languages for their visit and wish them a safe journey back home.
- 33 Departure:** The "Kaiser Franz Josef" is steaming - unfortunately you missed the steamboat and therefore you have to row behind it with the "Traunerl" - go back 5 fields.

Fields of action "St. Wolfgang"

- 1 **Mushroom season:** You accidently licked your fingers after touching a toadstool. The psychotropic effect is not long in coming and you start to hallucinate.
- 2 **Cycling:** The cycle paths around Lake Wolfgang are simply marvellous. You go on an extensive mountain bike tour singing full of energy:
*"Zum zechen fährt der kluge Mann seit neustem mit dem Radl, damit er wieder Heim fahr'n kann ganz ohne Furcht und Tadel - er braucht dazu kan Führerschein, nur etwas Gleichgewicht, man fährt damit sein Affen Heim und Straf zahln muss må nicht.
Jå mir san mit'm Radl då, Jå mir san mit'm Radl då. Jå mir san mit'm Radl då".* (Wachauer Buam)

- 5 **Zwölferhorn:** The new gondolas on the "Zwölferhorn" are so comfortable, that you decide full of enthusiasm to go for another round with the cable car.
- 6 **Emergency:** You got lost on a mountain tour. Night falls and you hear creepy noises in the darkness. You are frozen in fright. Stay in this position for 1 round.
- 7 **Seegut Eisl:** Sweet are they, these sheep. You and your left-hand player just can't help it. On all fours you stand in the middle of the flock of sheep and start imitating them. The one of you who „baas" better may throw the dice again.
- 8 **Abarena:** Show pantomimically how you climb the high tower of the all-weather theme park and take 30 steps. You should also describe your slide experience in detail.
- 9 **Goiserer Hütte:** A local tells you that the "Goiserer Hut" was redesigned by the company "raum2". You always wanted to go to Bad Goisern to meet Hubert. With a song you get in the mood for a possible meeting: (Hubert von Goisern) 
*„Koa Hiatamadl mog i ned, hoat koana dickn Wadl net, i mog a Madl aus der Stadt, was dicke Wadl hat.
Koa Hiatamadl mog i ned, hoat koana dickn Wadl net, i mog a Madl aus der Stadt, was dicke Wadl hat".*
- 10 **Abersee:** The summer heat is tough. Fortunately you can already see the "Seegut Eisl" with its delicious sheep's milk - ice cream. Get a cool treat for your palate.
- 11 **Pedal boat:** Are you a good pedal boat driver? Grab your right teammate, lie on your back opposite and put your heels together. Hop and go, show how fast you can pedal. (Rainhard Fendrich) 
- 12 **Wildpark Kleefeld:** In the wildlife park there are very special specimens of the alpine fauna to be admired. In addition to the petting zoo, you are particularly interested in the woolly pigs. You want to understand them better. Grunt a round like them.
- 13 **Speed field:** You have the brilliant idea of exploring the area for a while on an e-bike. Not only is it fun, it also gets you around faster. Ride forward 3 fields in a relaxed manner.
- 14 **Lebkuchen Gandl:** As a new master confectioner, you want to invent an advertising slogan for your extraordinary products yourself. Show how inventive you are and use the following words:
gingerbread - speciality - desire - taste experience - cinnamon - visit
- 15 **Fishing lodge:** While you eat „Rössling" you want to prove that you can say "Fischers Fritz" three times without mistakes. If you don't succeed, you can enjoy another round of delicious food from the White Horse's own fish farm: "Fischers Fritz" fishes fresh fish. Fresh fish fishes "Fischers Fritz".

- 16 Church:** During the service you notice how incredibly attractive and clever your right-hand seat neighbour is. Because you feel enlightened you worship him.
- 17 See Destillierie:** Inspired by the extensive and outstanding spirit tasting, you want to show what a great dancer you are. Do a solo performance. (EAV) 🎵
- 18 Margarethe:** The boat shuttle of the White Horse Inn is very practical, especially as you don't have to swim to the bathing area. Being relieved you sing:
"Motorboot, Motorboot, - schwimmen tua i nur zur Not. Motorboot, Motorboot". (Kurt Gober Band) 🎵
- 19 Lake:** In the water you feel like a pike. Chase after your fellow players and try to catch them all within 1 minute. If you do not succeed, you miss 1 round.
- 20 Bathing area:** The White Horse Inn's own bathing area is simply a hit. However, you soon find out that sunbathing without a cool drink is GIN-less. Get a refill at the "See Destillierie".
- 21 Trachten Hödlmoser:** As you stroll through St. Wolfgang, you notice a breath-taking girl in a particularly festive dirndl. You ask her to dance. (Sauerkraut Polka) 🎵
- 22 Seifenmanufaktur:** Because you can't resist the creative soaps of the "Benediktiner Seifenmanufaktur", you shower several times a day. Show your fellow players how to soap yourself with pleasure and sing your personal "shower hit".
- 23 Climbing:** Why go long detours? As a climbing pro you take the shortcut through the Falkenstein wall. This pays off - go ahead 4 fields.
- 24 Falkenstein:** There is a crevice in the rock, where according to the legend, the devil tried to crush St. Wolfgang. In the "Falkenstein" church itself there is the "Durchkriechstein". As believed by the locals, anyone who squeezes through the small hole in the stone, wipes away all sins. That sounds worthwhile. Crawl under the legs of your fellow players and confess your sins.
- 25 Fan Song:** Sigismund takes you with his helicopter. Full of thanks you sing:
"Als Sigi in der Wiege lag da war es schon zu sehn; Das Kind wird wunderschön - ein Standbild aus Athen. Die Mädchen auf dem Lande und die Teenager der Stadt, die sagten: „nur kein Neid, wer hat der hat.“ Was kann der Sigismund dafür, dass er so schön ist? Was kann der Sigismund dafür, dass man ihn liebt? Die Leute tun, als ob die Schönheit ein Vergehen ist, man soll doch froh sein, dass es so was schönes gibt." (Robert Gilbert / Gunther Philip) 🎵
- 26 Peace:** At the "Gschmä Platzl Malersteig" you find inner peace. Remain in this state and be silent for 1 round.
- 27 Schafbergbahn:** True to the motto of Mr. Giesecke "only cows run uphill" you take the "Schafbergbahn" 3 fields forward towards the summit.
- 28 Hiking:** Rail travel is for beginners. Real "mountain boys" climb the summit. Demonstrate how strong your calves are while promoting the advantage of hiking.
- 29 Exhilaration** Happy that you finally made it to the summit, you want to let everybody at the whole Lake Wolfgang area know. Yodel or shout for joy.
- 30 Mountain:** Pretty hot on the mountain. Because you unfortunately forgot your headgear you suffer from sunstroke. You giggle and babble for 1 round.
- 31 Dwarf:** Can that really be true? A dwarf just rushed by your place. You are looking for a rock entrance to the inside of the mountain to find hidden treasures.
- 32 Schwarzensee:** It is said, that the "Schwarzensee" is a mystical place. You feel magical powers growing within you. Turn your right player into an animal or person of your choice for 1 round.
- 33 Stop:** Don't hurry young friend. The strength is to be found in serenity. Take a break for 1 round.
